IAAE GLOBAL AVIATION FORUM

Wednesday, August 13, 2025

10-11 a.m. U.S. Eastern Time (Washington, D.C., Time)

Modernizing Air Cargo Operations for the E-Commerce Era

Sponsored by Orlando International Airport

Theme: Delivering the Future: Accelerating Air Cargo Innovation for the E-Commerce Economy

Objectives: Explore how airports, airlines, logistics providers, and regulatory agencies can modernize air cargo operations to meet the growing demands of the e-commerce era, by leveraging digital technologies, optimizing infrastructure, and improving cross-border coordination—ultimately enabling faster, more efficient, and sustainable cargo flows across global markets.
